3. Privacy

Our Privacy Policy, together with the fraud prevention sections below, explains how the personal information we collect from you will be used, and you hereby acknowledge, and agree we may collect, store and use information about your use on the 3D Print N Scan Ltd. Site.

4. Order issues

You agree that products and/or services may become unavailable at any time from the date of the Order, Quote, Invoice or Confirmation Email.

Whilst we will make every effort to supply you with the products or services listed on the quote attached to the order Confirmation Email, or the Email its self, there may be times when we are unable to supply products and or services, either available products/services or pre-ordered products/services because, for example:

The equipment the products/services are produced on are no longer serviceable or are being repaired and or maintained or there was a pricing error on the Website and or quote.

In such circumstances, we will contact you to let you know and may suggest alternative products or services that you may wish to use instead.

If you do not wish to accept our suggested alternatives, we will cancel your order for our products and services, in relation to the products and or services that we cannot supply and refund you any money that you may have paid to us in respect of those products and or services, except in the event that such services and or products have already been or started or provided, and that we reserve the right to reimburse you in part or in full for these services or products at our own discretion.

You hereby agree irrevocably and unconditionally in the event of a typographical error or technological error causing a mistake in prices published on the Website, sent in a quote and or invoice, we reserve the right to correct the error and to charge you the correct price.

Before we do so, we will notify you of the mistake and will offer you the opportunity of a full refund.

You hereby agree irrevocably and unconditionally for 3D Printing services or services provided by us, at our discretion, compensation will be required to be paid before 3D Print N Scan will provide some service, and that due to the nature of 3D Printing or other services provided by us, you may not be able to cancel an order or receive a refund because work may have already been started.

3D Print 'N' Scan Ltd. reserves the right to hold any orders prior to shipping/Mailing for security review.

3D Print 'N' Scan Ltd. delivers within the UK, Northern Ireland, Scottish Highlands and Islands, except for digital downloads.

In the event that an order is accidentally/purposely placed for a delivery to a location where we do not deliver to, the order will still be charged for, if any work has been started, that you hereby agree irrevocably and unconditionally to check with us that we provide services to your location, and that it is your responsibility to check with us.

With regards to 3D files which are provided and made available to you by 3D Print N Scan Ltd. Through our shop, email, or any other means they are on an "as is" basis and with all faults, without any warranty, guarantee or condition of any kind whatsoever, whether express, implied or statutory, but at our discretion we may choose to refund you, send you a replacement file or offer you a different file of the same value at our expense, a detailed description of the fault will be required, if this happens, so we can rectify the fault, for other users and customers.

5. Fraud prevention, fraud screening and age and identity verification checks

By confirming your order, in writing or by email to us, you will be indicating that you have read, understood and agree to these e-commerce terms and conditions this document being the current master, and that you consent explicitly to your personal information being used by us, its third-party service providers and Fraud Prevention Agencies for the following purposes:

If you have any questions at all about this, please contact us at info@3dprintnScan Ltd before you proceed with your purchase of our products and services.

YOU SHOULD NOT CONFIRM YOUR ORDER, UNLESS YOU CONSENT TO THIS USE OF YOUR PERSONAL INFORMATION AND IF YOU CANNOT AGREE TO ANY OF THE TERMS, CONDITIONS & PRIVACY OF THIS AGREEMENT, YOU MUST NOT USE ANY FEATURES OR PART OF THIS SITE, AS DOING SO WILL LEGALLY BIND YOU TO THIS AGREEMENT.

You agree all of your personal information including your full name and address can and will be used for fraud prevention, fraud screening and age and identity verification purposes.

This personal information will also be disclosed to third parties providing fraud prevention, fraud screening and age and/or identity verification services us.

This personal information may be disclosed to and used by fraud prevention agencies, for all such purposes and those agencies may keep a record of it where permitted by the Data Protection Act 1998 (as amended and/or replaced from time to time) and that you hereby agree irrevocably and unconditionally that your personal data can be used for this purpose.

As part of this, we may check the following records about you:

our own records;

records held by third parties providing services to us;

and records at fraud prevention agencies.

The checks described above may include assessing and verifying identities to prevent and detect fraud.

As explained above, personal information about you may be sent by us to fraud prevention agencies and recorded by them.

All such information may be supplied by the fraud prevention agencies, and to other organizations in order that they may perform similar fraud prevention, fraud screening and age and identity verification checks against you, including and or as part of online transactions and otherwise.

Information about you is usually held on your file for six years.

Some information may be held for longer, for example, where a court has ordered that a bankruptcy restrictions order should last more than six years.

If information is held for longer than it is supposed to be, you can ask for it to be removed.

In addition, we may give details of the payments you make to fraud prevention agencies.

If you give us false or inaccurate information about yourself and if we suspect fraudulent payments and/or identity fraud, we will record this and may also pass this information to fraud prevention agencies and other organizations involved in crime and fraud prevention.

We and other organizations may access and use information which relates to you and which is recorded by fraud prevention agencies in other countries.

This section provides a short explanation, about how your personal information may be used by us, and is not limited to, what has been shown in this section.

6. Our Contract

When you place an order to use our services from the Website, or by direct email, we will send you an email with a quote and or invoice and / or an attached quote, invoice, receipt of purchase, confirming your order and containing the details of your order.

Your order only represents an offer to us, to purchase and use our services, confirming that we have received the order.

Our Returns Procedure does not affect your statutory rights.

19. Returns or modifications to products

You may return new or unused products which you wish to modify or have re-made by return within seven (7) days from the date on which the goods were shipped to you.

Due to 3D, printed products being manufactured immediately, to your specifications, data or our design confirmed, as acceptable by yourself or organization, there is no right to return or possibility for cancelling your order, once you have agreed to our quote in writing.

If we have worked with you to design your product we offer 2 re-draws, for detailed drawings only, to fix minor errors to help perfect your design, we reserve the right to charge you for further changes, if your design still does not meet your requirements.

Please note: your right to change or return products is separate from your statutory right to cancel your order or to reject faulty goods.

20. Conditions for All Returns and Exchanges

Products must be returned to us unused, together with all original packaging, please note you have a duty to take reasonable care of returned goods and any refund may be withheld or a charge incurred if you fail to take such care and damage the goods.

Due to 3D, printed products being manufactured immediately, to your specifications, data or our design confirmed, as acceptable by yourself or organization, there is no right to return or possibility for cancelling your order, once you have agreed to our quote in writing unless the fault is ours.

Please make sure that your return package is packed and sealed securely in or with the original packaging if possible.

Packages must be returned with the shipping cost prepaid at the expense and responsibility of the client returning the package.

We recommend the use of an insured parcel service, such as Royal Mail Special Delivery; <http://www.royalmail.com/business/price-finder>. So, both parties have a record of the part being returned. Reprints will not be started until the original product has been received back and assessed for damage and other anomalies which might have led to the reported issue(s).

If the part(s) returned are believed to have been supplied within our terms and conditions, which were agreed upon when the order was placed, No refund will be given and a reason for this supplied.

We will refund all monies received from you, including the outbound delivery cost within fourteen (14) days or the original manufacturing lead time (whichever is greater) of receiving the product(s) from you, once we have verified the cause(s) of the issue you described, and if the cause was our fault.

Please note that if you have opted to deliver the product(s) back to us by more expensive means than the standard delivery option offered, you will not be refunded the full outbound delivery cost.

We will only refund you the cost of the standard delivery option, as per royal mails pricing; <http://www.royalmail.com/business/price-finder>.

21. CAD & Scanning Services

The Client hereby agrees irrevocably and unconditionally to the following section (21.), and will review all files and or Drawings provided, drafts and final files provided by us and provide feedback and or approval / sign off, within 30 days of receiving them.

Files & drawings will be checked by the client and once written approval / sign off or 30days has passed, the client will have no further opportunity to make any changes.

If during the 30 days after receiving the files or drawings it is found there is error in the files or drawings, we will fix and re send the file(s) and or drawings, for which we offer 2 minor changes for free, having worked with you the client throughout the process.

If it is found that there are errors with the files and or drawings after the 30days has elapsed, we will rectify the files and or drawings at a fee.

3D Print N Scan do not accept liability in any way shape or form for the manufacture of a product from our files and or drawings which have not been approved / signed off or have been approved and signed off by the client.

Any information to produce CAD files of any description must be sent by email! Verbal or written communication will not be covered nor will you be able to receive a refund if it is not.

22. Part Accuracy and tolerance

PolyJet 3D Printing is considered to be one of the highest quality and most accurate types of 3D Printing available, 3D Print N Scan Ltd. does not guarantee part accuracy and tolerance to any degree, because some parts can suffer shrinkage or warping due to their features and geometry, which we cannot always give consultation on or inspect before printing.

However, most PolyJet parts are printed to +/-0.1mm accuracy and tolerance, and you hereby agree irrevocably and unconditionally it is down to 3D Print N Scan Ltd. discretion as to whether we reprint the part if it falls outside of the accuracy and tolerance stated.

23. Delivery Costs

If you are returning goods for changes or return, there will be no additional delivery charge.

We will not refund the original delivery charge in the case of changes or returns.

Please note: you will only be reimbursed the original delivery charge where you exercise your statutory right to cancel or to reject faulty goods as described in these T&C's.

You will not be liable for the delivery costs incurred by us in sending you any re-printed products as exchange, for damaged ones, if it is not our fault as set out in these T&C's.

in the case of returns, you agree, you will only be refunded the value of the goods or services ordered, if the fault is found to be ours.

We will only pay the return costs and subsequent re-delivery costs, if the return is a result of our error or if the goods are faulty, excluding digital downloads from our, shop or electronic files supplied by yourself.

24. Statutory Right to Cancel

With our 3D, printed products being manufactured immediately, to your specifications, there is no right to return or possibility for cancelling your order once you have agreed to our quote in writing.

With 3D CAD & Scanning services you have a right to cancel, but if any work has taken place, 3D Print N Scan Ltd. reserve the right to charge you for the work carried out so far or all the work, dependent on what stage we are at, at the time you contact us!

If you are a customer of 3D Print N Scan Ltd, in addition to our Returns or Exchange policies & Procedures, under the Consumer Contracts Regulations 2013, you have thirty days, beginning the day after receipt of the goods, to cancel your purchase order, if on inspection of the product/service, it is not as per our agreed quote and contracted details for manufacture.

Where you exercise your right to cancel within thirty days, you should return the goods to us without undue delay and, in any event, no later than 30 days after the day on which you inform us in writing of your decision to cancel the contract.

Please note: if we have provided any services as part of the purchase e.g. products made to order or gift wrapping, and we have begun to provide these services before you have exercised your right to cancel, we shall not reimburse the costs of such services.

We will refund the cost of the rejected goods and the cost of our standard delivery charges within 5-7 business days of receiving the goods back or, if earlier, within 5-7 business days of receiving suitable evidence from you that you have sent the goods back to us.

Please note that should the value of the goods have been reduced by your handling of them, you hereby irrevocably and unconditionally accept, we reserve the right to deduct the diminished value of the goods before we refund you.

How do I exercise my statutory right to cancel and initiate the refund process?

In order to exercise your right to cancel, please:

Send an email to 3D Print N Scan Ltd; or

Write to us at our company address making it clear in your correspondence that you are giving notice to exercise your statutory right to cancel.

Your email or letter will be deemed to have been received by us on the date you send it, as long as it has been sent to the correct address and clearly states that you are exercising your right to cancel.

Please keep a copy of any letter, email and or a receipt for correspondence sent to us, in order to demonstrate the date when you sent it.

25. What is my statutory right to reject faulty goods?

If the goods are faulty or not to agreed specifications, you have a short term right to reject the faulty goods within 30 days of delivery. If you do not exercise this right, you have a right to the repair or replacement of the faulty goods and, if such repair or replacement is inadequate, you have a right to reject the goods and obtain a full refund.

26. Discrepancies

If there are any discrepancies with your order, you must notify us as soon as possible. If you have been shipped the incorrect goods, then please do accept our apologies.

Please contact us, we will reimburse the cost of returning them to us.

Any replacements will be sent to you at no extra cost to yourself.

27. Refunds

Once a placed order is cancelled, or if you have already received ordered products/services, then once your products/services are back in 3D Print N Scan Ltd. possession, your refund will be processed immediately after inspection has revealed it is us that is at fault.

Please allow 5-7 business days for the refund to reach your account.

For cash payments, such as a bank transfer, we will require your bank details, including IBAN/SWIFT, to proceed with the refund to your account, upon cancellation of an order or returning products/services please make sure to include relevant banking details to allow for efficient processing of the refund. We do not provide physical cash as a refund.
